# SWIM CUP AMSTERDAM

20th – 22nd October 2017

- The eight fastest swimmers from the heats will qualify for the A-finals.

- Withdrawals can be done until 24hrs before the first event via [entry@swimcupamsterdam.nl](mailto:entry@swimcupamsterdam.nl), where all competition days are considered as part of one competition.

## 5 Finals; placement, withdrawal and back up swimmers

- In order to provide athletes the maximum opportunity to swim entry times for the international championships, the Swim Cup works with B, C and D finals. This means that B, C and D finals will be swum with an overhead start. Only in the A finals athletes will be introduced lane by lane.
- Finals will be swum in 8 lanes during the afternoon sessions.
- The finals are open for all. However the slowest final of each event is for Dutch athletes only, which means a D final for 50, 100 and 200 freestyle and a C final for all other distances.
- Please find a comprehensive overview of qualification for the final session at the end of this bulletin.
- Withdrawal can be done in writing at the resolution desk within 30 minutes after the announcement of the results of the heats of the event concerned.
- For each final two back up swimmers will be appointed.
- An athlete that does not want to be lined up as back up swimmer must withdraw as well.

## 6 Paralympic athletes

- Para swimmers will be seeded in the heats according to entry times.
- The 8 athletes with the highest IPC point ranking will proceed to the final.
- The IPC-finals will be separated finals. There are IPC finals for 50, 100, 200 and 400m freestyle, 50 and 100m breaststroke, backstroke and butterfly, plus 200m individual medley.
- In case of fewer than 4 Para swimmers, no final will be swum. The times of the heats will define the ranking.

## 7 Prizes

- The winner of each A-final and the fastest heats on 800 and 1.500m freestyle will receive a gift. This does not apply to IPC finals in the B-final block.
- The prizes in the IPC finals in the A-final block will be awarded based on IPC points in the final session and not by class. NB: Para swimmers qualifying for 'regular' finals, will be ranked in the IPC point score as well and therefore are eligible for the prizes in IPC finals.

## 8 Tournament awards

The best athletes of the Swim Cup will receive a prize based on FINA rankings. The form of the prize will be determined later. To be eligible for a tournament prize it is mandatory to attend the victory ceremony at the end of the last session.

## 9 Entry fee and payment

The entrance fee is € 10,00 per event, PLUS 3,50 per coach per day.

The fee of all foreign competitors must be paid prior to the start of the tournament at the information desk or via bank transfer before the event.
